THE WORD DETECTIVE

Little, Brown, 2016. Hardcover. Condition: New. The former chief editor of the Oxford English Dictionary, John Simpson spent almost four decades immersed in the intricacies of language. His memoir describes the career of a lexicographer who revels in the excitement of historical dictionary work. It is also a celebration of the English language, describing how words come and go; how culture shapes the language we use; and how technology has transformed not only the way we speak and write but also how words are made.
